### 4<sup>th</sup> May 2009 - A sneak pre-view – EarthCruiser Internal Pictures

*Looking towards the rear with the double bed, sink, mixer tap and purifier water tap.  
Command centre on the right and shower/toilet access on the left.*

*Below the spacious work area is the 120L fridge /freezer, and plentiful storage.  
More storage draws are below the double bed.*

*Up front are two leather seats, with a swing-away table. The table will in fact swing completely into the vehicle cab if needed, or drop down to form a single bed if required.  
To the right is the ceramic diesel cooktop and more storage.*

*Interior Colour choices include:  
Warm Red for colder climates  
Cool Blue for warmer climates*

*Up front are our optional leather Stratos Suspension Seats for driver & passenger + the leather console.*

If you would like more information or a test drive give us a call.
